[Click here to register.](#)

The ***IPAC-RS Regulatory Roundtable Series*** is focused on bringing together leaders in the Orally Inhaled and Nasal Drug Product (OINDP) space. Invited guests will include regulators, industry thought leaders, business leaders, academics, patient groups and others who comprise the OINDP “ecosystem.”

A Conversation with the FDA: Perspectives in the Time of COVID-19 is scheduled for **Monday, November 2, 2020 from 10:30 AM – 12:00 PM US ET.**

Panelists:

- ***Richard Lostritto***, Associate Director for Science in Office of Policy for Pharmaceutical Quality (OPPQ)/OPQ/CDER/US Food and Drug Administration
- ***Brian J. Hasselbalch***, Deputy Director, OPPQ/OPQ/CDER/US Food and Drug Administration
- ***Carla Vozzone***, Vice President Pharmaceutical Development & Licensing, Hovione
- ***Martin J. Oliver***, Senior Vice President, Generic Programmes, Vectura Ltd.

Moderator:

- ***Mary Devlin Capizzi***, IPAC-RS Secretariat and Legal Counsel; Partner, Faegre Drinker Biddle & Reath LLC

Please forward this notice to interested colleagues from your company or other organizations with an interest in OINDPs to join this webinar. Questions? Please contact Mrs. Dede Godstrey at the IPAC-RS Secretariat at Dede.Godstrey@FaegreDrinker.com.
